Zion Meal Mission Outreach (March 2023)**

For over 40 years (since 1982), Asbury has participated with other Quad Cities Churches United member churches who take turns providing dinners for homeless and those in need of nourishment. Currently we are serving approximately 60 meals the first Wednesday of every month at Zion Lutheran Church (1216 W. 8th St; just off of Marquette in downtown Davenport.) The past several years and during Covid, various small groups have been volunteering to prep and serve this meal.

In an effort to provide more Asburians an opportunity to serve and participate in this important outreach mission, we are changing Asbury's process which has been in place since Covid times.

Effective with our Wednesday, May 3rd Meal Prep and Serve, we will be providing and serving a routine and fairly easy dinner menu at Zion. During March and April, we are asking Asbury members and families to sign-up to be on a team of people that will be **assigned no more than once in 6 months (2 times a year)** to prep the food; transport and serve the meal. The monthly meal prep, transport, and serve process will be relatively easy to perform. All the food items will be purchased ahead of time and kept at Asbury. We will be prepping a standard meal of the following:

Pre-cooked and prepackaged Sloppy Joe's served with standard hamburger bun.

Single servings of chips; fruit cup; dessert bar; and bottled water.

We would like to have at least 6 teams of 6 people each to rotate on a 6-month basis to prep, transport, and serve the Wednesday meal at Zion Church. Each team would have two (2) preparers to heat and prepare the Sloppy Joe's at Asbury and gather the food items for transport to Zion. Four (4) people on the team would transport and serve the meal at Zion.

If you are willing to help with this important outreach mission project, please complete the form below and drop in the offering "Church" in the sanctuary, or leave in the Church office. Or you can complete the on-line form on at JesusIsTheBridge.org. If questions, you can call Robin James, coordinator of this AIM mission project.

***We appreciate your consideration of this opportunity
to "Do God's Will" at Asbury!***

I would like to help in the following way with Asbury's Zion meal site.

____: Prepare Sloppy Joe's & food items for transport to Zion (Approx 3:15p to 4:45p)

____: Transport Food to Zion and Serve meal. (Approx 4:45p – 6:15p)

____: Just put me on a team ... I'd be willing to do either of above.

____: Can't commit to a Team, but put me on a sub list.

____: I'd be willing to be a Team Captain. (Minor team coordination duties)
